

TOP SECRET
Deputy Director's Staff Meeting

2 January 1951

25X1

Brief discussion of Truman letter to Henry Luce [redacted]

25X6

Handed Mr. Jackson NSC on covert operations to study.

[redacted]

25X1

Mr. [redacted] reported on the State Department proposal for space and indicated the reasons why it could not be accepted. Mr. Jackson asked him to look into all details of the possibility of obtaining the balance of the Navy Hospital.

Report on memorandum from AD/RR asking whether analysis of Soviet trade agreements and of cancelled instruments of foreign policy was an appropriate function. It was decided to defer this until [redacted] reported.

25X1

It was agreed that there should be a memorandum prepared on the responsibility of CIA's senior representatives overseas. Mr. [redacted] is to prepare this.

25X1

Mr. Jackson approved of the statement on psychological warfare to be sent to AD/RR and suggested that it be deferred until [redacted] takes over.

25X1

There was discussion of the President's letter on economic warfare and it was decided that O/RR should represent the agency in discussions with State.
